### Instructions to Reviewers:

**l. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.**

**The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.**

**ne for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

13. The 19th century modern scientific approach to morality began to emerge as a result of the fact that "the 19th century idea of the moral obligation of individuals to do good was replaced by a more limited concept of duty" and moral responsibility was confined to the individual person only, rather than the community as a whole.
